

2021 GENERATION III SEALS & RECORDING DEVICE BULLETIN (7/1/21)

Please note the **two** changes below to the 2021 RUSH Pro Mod Rules...

***On rule #4 under **ENGINES**, we have removed the following verbiage: Note: Generation III (yellow) seals will no longer be permitted effective 1/1/22. The Generation III (yellow) seals will now be permitted until further notice.

***We have added the following underlined verbiage in red to rule #11 under **TRACTION CONTROL/RADIO/TRANSMISSION DEVICES**: Note: RUSH reserves the right to mount recording equipment below deck, with driver's permission. near rear bumper facing outward towards oncoming competitors for promotional purposes.
